Comes with 8 different neon colours in unique dual applicator bottles that have a detailing pen and a fine line brush. Sample design chart of nails created by a professional nail artist using the kit. Comes with step-by-step DVD and user guide showing nail art tips and techniques. Can be used on natural or false nails. Complete with rhinestone gems and gold glitter to enhance any style.

Complete Nail Art Kit™

Model: NADC

The complete kit for all your nail design needs.

Airbrush Nails™

Model: NAIB2

Achieve results that are only possible with airbrushing. Striking designs, gradients and duotone effects are all unique features of airbrushing that can be mastered in minutes. Choose from stencils supplied or design your own. You will be amazed at the stunning results.

Quick Dip Acrylic Extensions™

Model: NACR

Quick Dip Extensions use a newly developed acrylic dipping powder to give strong, natural-looking nails quickly and easily. The professional finish looks beautiful with or without nail polish.

UV Nail Extensions Compact™

Model: UVLB

Natural looking nail extensions. Allows the natural nail to grow underneath. Can be used on both hands and feet. Everything needed to create professional nails. Step-by-Step DVD included.

UV Nail Extensions™

Model: UVLP5

New improved 15W UV lamp. Natural looking nail extensions. Allows the natural nail to grow underneath. Everything needed to create professional nails. Step-by-Step DVD included.

Nail Metallix™

Model: NARM

Rio Nail Metallix is a flexible chrome effect film that moulds perfectly to the curve of your nail. Easily applied and removed, Rio Nail Metallix provides a minimum fuss, no mess, no waiting solution to getting the latest celebrity style nails.

14-day Nails™

Model: UVLF

Rio 14 day UV Gel Clear Polish uses a specially formulated clear gel which reacts with UV light to create a very strong, high gloss layer protecting your favourite nail polish from chips, dents and wear for up to 14 days.

Nail Studio Kit™

Model: NAST

Supports your hand or foot for the perfect nail makeover.

Complete Waxing Kit™

Model: CWAX2

Rio Total Body Waxing includes Deluxe Soft Wax for waxing arms and legs (suitable for men waxing back, legs or chest) and Salon Hard wax for more sensitive areas e.g. bikini line and facial hair.

Electric Threading™

Model: HRTH

Electric Threading is the traditional art of hair threading made easy. Threading can be used on the face, including the upper lip, chin, sideburns, cheeks and eyebrows.

X20 Scanning Laser™

Model: LAHC2

You can now enjoy the benefits of permanent hair reduction without paying for expensive salon treatments. Home laser hair removal is suitable for most areas including facial hair, underarms, arms, legs and bikini line.

X60 Scanning Laser™

Model: LAHC5

You can now enjoy the benefits of permanent hair reduction without paying for expensive salon treatments. Home laser hair removal is suitable for most areas including facial hair, underarms, arms, legs and bikini line.

Intense Pulse Light™

Model: IPHR

The IPL uses Intense Pulsed Light technology to give long-term hair removal. Placed gently against the skin, pulses of intense light from the long life quartz bulb are delivered directly to the hair follicle with enough energy to disable the hair root without affecting the surrounding area.

Pro Intense Pulse Light™

Model: IPHR2

The IPL Professional uses Intense Pulsed Light technology to give long-term hair removal. Placed gently against the skin, pulses of intense light from the long life quartz bulb are delivered directly to the hair follicle with enough energy to disable the hair root without affecting the surrounding area.

Blue Light Teeth Whitening™

Model: DCWH6

Dentist whitening technology. Quick, safe and simple way to whiten teeth. Specially formulated gel works with advanced Blue Light Technology. Ideal for stains caused by tea, coffee, red wine and discolouration due to smoking and ageing. Two lithium batteries included.

Eyelash Extension Kit™

Model: ELSH

Achieve natural looking, long-lasting, beautiful lashes, by adding volume and length with Salon Eyelash Extensions. Eyes look larger and more defined in just minutes, go out looking great, wake up looking great. No need for mascara and no more panda eyes.

60-second Neck Toner™

Model: NECK2

Three 60 second programmes for toning the whole neck and chin area. Target tone the 'double chin' alone in just 60 seconds a day. Feel the effect after just one use and see the results in just a few days. Uses advanced EMS (Electro-Muscle-Stimulation) to exercise the supporting muscles and increase circulation.

Sonicleanse™

Model: FASU

The Rio Sonicleanse uses micro-pulsating high frequency sonic cleaning for a deeper, more effective clean. The head pulses at an amazing 10,000 times a minute to gently loosen dirt and oil to cleanse your pores.

Callus Remover™

Model: PECA

Dealing with the thick, hardened skin on the ball or heel of the foot, generally known as a callus, is no longer a problem. The Callus Remover's interchangeable tools will keep your feet in a healthy and hygienic condition, allowing you to step out in style with perfectly presented feet.

Perfect Feet Kit™

Model: PEDI

Everything you need to keep your feet and nails in perfect condition, supplied in a handy carry case along with full instructions and instructional dvd.
