BackMagic™

Model: BT-BMAG

BackMagic targets back pain and stiffness caused by tight muscles, the loss of lumbar curve or poor spinal alignment. Simply lie back and relax over the BackMagic's unique adjustable spinal cradle. This action stretches the back muscles helping the spine to realign itself, relieving muscle tension, stress and associated back pain.

Light Therapy

SAD Lamp™

Model: SADL2

Low levels of natural light and shortened daylight hours are now widely associated with depression, mood swings and lethargy, sometimes referred to as Seasonal Affective Disorder (S.A.D.), or the 'winter blues'.

Producing a full 'natural light' spectrum the Bodi-Tek SAD Lamp boosts light levels to help alleviate the symptoms of Seasonal Affective Disorder (S.A.D.).
